

WHEREAS, the Public Improvement District Assessment Act, Chapter 372 of the Texas Local Government Code (“Act”) allows for the creation of public improvement districts; and

WHEREAS, on May 14, 1997, City Council authorized the creation of the Prestonwood Public Improvement District (District), as a public improvement district in accordance with the Act and found that the District promoted the interests of the City and conferred a special benefit to the property in the District, designated Prestonwood Homeowners Association, Inc., as the manager of the District, authorized a contract for management services; and approved the District Service Plan, and annual updates by Resolution No. 97-1575; and

WHEREAS, City Council has subsequently authorized the renewal of the Prestonwood Public Improvement District (District) in 2004 and 2011; and

WHEREAS, on September 10, 2014, City Council authorized the 2015 Service Plan and 2014 Assessment Plan by Ordinance No. 29462; and

WHEREAS, the Prestonwood Homeowners Association provided City staff with the proposed District 2016 Service Plan and 2015 Assessment Plan as shown in **Exhibits B and C**; and

WHEREAS, the City Council must review the proposed 2016 Service Plan and 2015 Assessment Plan and hold a public hearing to provide a reasonable opportunity for any owner of property located within the District to speak for or against the 2015 assessment against real property and real property improvements exclusive of right-of-way, to continue funding for the District for the purpose of providing supplemental services and improvements.

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

Section 1. That pursuant to the requirements of the Act, the City Council, after reviewing the proposed 2016 Service Plan and the proposed 2015 Assessment Plan for the Prestonwood Public Improvement District will consider approval of the final 2016 Service Plan and 2015 Assessment Plan, subject to the public hearing on September 9, 2015.

Section 1. (Continued)

The City Council makes the following findings concerning the Service Plan for the public improvement district:

- (a) **Advisability of the Services Proposed for the District.** The District promotes the interests of the City and confers a special benefit to the property within its boundaries and it is advisable to continue the District and to provide the services and improvements described in this resolution.
- (b) **Nature of the Services and Improvements.** The proposed services and improvements to be provided in the District include enhancing public safety and security related improvements as authorized by the Act.
- (c) **Estimated Cost of the Services and Improvements.** During the next five (5) year period, the estimated annual cost of the improvements and services provided by the District is expected to begin in 2016 at approximately \$303,580 and continue at the same level through 2020. The total estimated assessments to be collected for during the next five year period is approximately \$1,539,259. The District shall incur no bonded indebtedness. Unless a specific purpose is identified in the service plan, any over collections of assessments for any year shall be returned to the property owners or the assessment rate shall be reduced in the following year so that such surplus cash may be absorbed by the cost of services and improvements to be provided by the management company for that following year. The city shall not levy assessments against property owners that exceed the total amount budgeted for the entire term of the PID without a new petition securing consent of the property owners to such increases in the service plan and city council approval.
- (d) **Boundaries.** The boundaries of the District are located wholly within the City of Dallas, Texas. The boundaries of the District are as shown in **Exhibit A**.
- (e) **Method of Assessment.** The proposed method of assessment, which may specify included or excluded classes of assessable property, shall be assessed according to the value of the real property and real property improvements as determined by the Dallas Central Appraisal District. The estimated annual assessment rate for 2015 will be \$0.07 per \$100.00 of appraised value as determined by the Dallas Central Appraisal District. Once levied, this assessment rate shall not increase during the 2016 service plan year. The annual assessment rate shall not exceed \$0.15 per \$100.00 valuation. Future annual assessment rates, however, may be increased up to a maximum of \$0.15 per \$100.00 valuation subject to an enhancement in value of property in the District and a corresponding increase in the services and improvements to be provided therefor.

Section 1. (Continued)

Any future increase in the assessment rate would also be subject to a public hearing and the city council passing on all objections. The real property of jurisdictions and entities that have obtained an exemption from City of Dallas real property taxes pursuant to the Texas Property Code (except under the provisions of Sections 11.24 and 11.28 of the Property Tax Code) will not be subject to an assessment on that portion of the assessed value of the property exempt from City real property taxes. Payment of assessments by other exempt jurisdictions and entities must be established by contract.

- (f) **Apportionment of costs between the District and the Municipality as a Whole.** The assessment is levied on the real property and real property improvements in the District according to the value of such property. Levying the assessment for the services and improvements based on the appraised value of the property results in the apportionment of the costs on the basis of special benefits accruing to the property. No assessment, however, will be levied against exempt City property in the District. No assessment, however, will be levied against exempt City property in the District. The City of Dallas is not responsible for payment of assessment against exempt City property in the District. City rights-of-way, railroad right-of-way, City parks and cemeteries are not specially benefitted and therefore are not subject to PID assessment.

Section 2. That the facts and recitations contained in the preamble of this resolution are hereby found and declared to be true and correct.

Section 3. That a public hearing shall be held at 1:00 p.m. on September 9, 2015, in the City Council Chamber, Dallas City Hall, 6th floor, 1500 Marilla Street, Dallas, Texas at which time any interested person may appear and speak for or against the setting of an assessment against real property and real property improvements, exclusive of rights-of-way, to continue funding for the District for the purpose of providing supplemental services and improvements.

Section 4. That notice of such public hearing shall be published in the official newspaper of the City of Dallas and mailed to the property owners in the District before the 10th day before the public hearing.

August 26, 2015

Section 5. That after the public hearing, the City Council may consider approval of an ordinance establishing classifications for the apportionment of costs and the methods of assessing special benefits accruing to property in the District because of the services and improvements in the District, approving and adopting the 2015 assessment roll on file with the City Secretary; approving the Service Plan for 2016; closing the hearing and levying assessments for the cost of certain services and/or improvements to be provided in the District during 2016; fixing charges and liens against the property in the District and against the owners thereof; providing for the collection of the assessment; and providing an effective date.

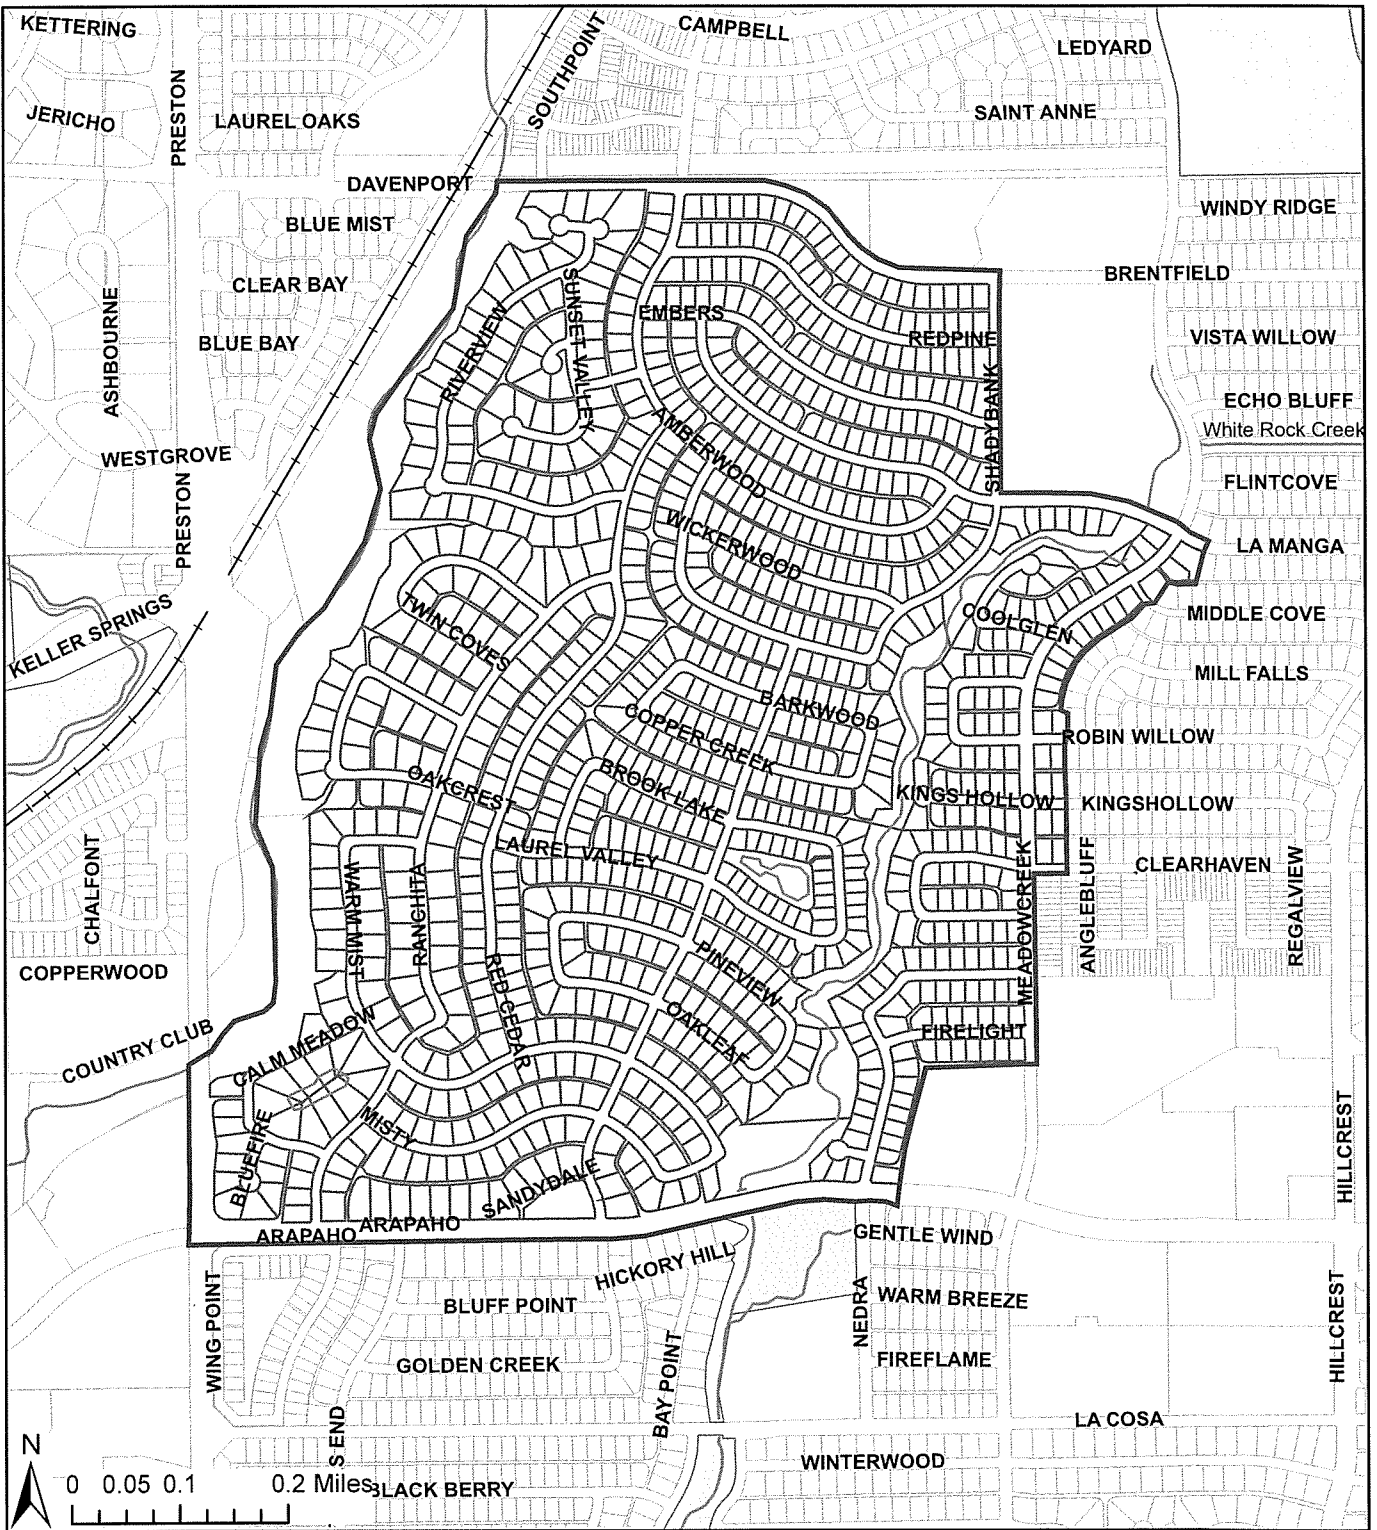

Section 6. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

APPROVED BY
CITY COUNCIL

AUG 26 2015

City Secretary

 - ⁽²⁾ Annual audit fees of \$5,000; insurance expense shared with PHA.
 - ⁽³⁾ Assessment Rate is anticipated to increase in 2018 to cover costs of services. Future annual assessment rates, however, may be increased up to a maximum of \$0.15 per \$100.00 valuation subject to an enhancement in value of property in the District and a corresponding increase in the services and improvements to be provided therefor. Any future increase in the assessment rate would also be subject to a public hearing and the city council passing on all objections.
- * Pending a successful renewal in 2018

Exhibit C
Prestonwood Public Improvement District
2015 Assessment Plan

The cost of the services and improvements provided by the Prestonwood Improvement District will be paid primarily by assessments against real properties within Prestonwood Public Improvement District (PID) boundaries. Annual assessments will be based on the value of real property and improvements as certified by the Dallas Central Appraisal District.

The 2015 assessment rate for the property in the Prestonwood PID is proposed at \$0.0700 per \$100.00 of value. Assessments will be carried out in accordance with procedures stipulated in Chapter 372 of the Texas Local Government Code.

The District shall pay the costs of the services and improvements by special assessment against the real property and real property improvements. The City of Dallas is not responsible for the payment of assessments against exempt City property in the District which is specifically benefitted. City rights-of-way, parks and cemeteries are not subject to assessment. Payment of assessments by other exempt jurisdictions and entities must be established by contract. No such contract is in place, nor is any proposed.

The Prestonwood PID's assessments will be collected by the Dallas County Tax Office in accordance with the contract with the City of Dallas and in accordance with the management contract between the City of Dallas and the Prestonwood Homeowners Association.
