NOW, THEREFORE,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That City Council shall adopt an ordinance approving and adopting the proposed and final 2016 Service Plan, the 2015 Assessment Plan and the 2015 Assessment Roll (to be kept on file with the City Secretary); establishing classifications for the apportionment of costs and the methods of assessing special assessments for the services and improvements to property in the Dallas Downtown Improvement District (District); closing the hearing and levying a special assessment on property in the District, for services and improvements to be provided during 2016; fixing charges and liens against the property in the District and against the owners thereof; providing for the collection of the 2015 assessment; and providing for an effective date.

SECTION 2. That the recitals and findings listed above are true and correct and that the action of the City Council closing the public hearing in these proceedings is hereby ratified and confirmed.

SECTION 3. That the proposed method of assessment, which may specify included or excluded classes of assessable property, shall be assessed according to the value of the real property and real property improvements as determined by the Dallas Central Appraisal District. The estimated annual assessment rate for 2015 will be \$.1290 per \$100.00 of appraised value for 2015, as determined by the Dallas Central Appraisal District. Once levied, this assessment rate shall not increase during the 2016 service plan year.

SECTION 3. (Continued)

The annual assessment rate shall not exceed \$0.15 per \$100.00 valuation. Future annual assessment rates, however, may be increased up to a maximum of \$0.15 per \$100.00 valuation subject to an enhancement in value of property in the District and a corresponding increase in the services and improvements to be provided therefor. Any future increase in the assessment rate would also be subject to a public hearing and the city council passing on all objections. The real property of jurisdictions and entities that have obtained an exemption from City of Dallas real property taxes pursuant to the Texas Property Code (except under the provisions of Sections 11.24 and 11.28 of the Property Tax Code) will not be subject to an assessment on that portion of the assessed value of the property exempt from City real property taxes. Payment of assessments by other exempt jurisdictions and entities must be established by contract.

SECTION 4. That City Council hereby authorizes and adopts the final 2016 Service Plan, the final 2015 Assessment Plan and the 2015 Assessment Roll (to be kept on file with the City Secretary) apportioning the total cost of the services and improvements to be assessed against property in the District for fiscal year ending December 31, 2015, of approximately \$6,607,538. The Assessment Roll apportions the assessment against each parcel of land in the District and is subject to public inspection in the City's official records.

SECTION 5. That the Chief Financial Officer is hereby authorized to encumber and disburse funds from:

Fund 0001, Department BMS, Unit 1991, Object 3599 to pay assessments on City-owned property benefitting from services and improvements provided by the District in an amount not to exceed \$461,762.28, subject to annual appropriations;

Fund 0080, Department CCT, Unit 7840, Object 3599 to pay assessments on City-owned property benefitting from services and improvements provided by the District in an amount not to exceed \$214,286.14, subject to annual appropriations; and

For a total not to exceed \$676,048.42.

SECTION 6. That Dallas City staff mailed to the owners of property liable for assessment notice of the hearing as the ownership appears on the City tax roll. The notice contained the information required by the Act. The notice was mailed before the 10th day before the date of the hearing to the last known address of the property owner on the City tax roll. The failure of the property owner to receive notice does not invalidate the proceeding.

SECTION 7. That City Council finds that the assessments should be made and levied against the respective parcels of property within the District and against the owners thereof, and are substantially in proportion to the benefits to the respective parcels of property by means of the services and improvements in the District for which such assessments are levied, and further finds that in each case the property assessed is specially benefited by means of the said services and improvements in the District, and further finds that the apportionment of costs of the services and improvements is in accordance with the law in force in this City and the State and in the proceedings of the City heretofore held with reference to the formation of the District and the imposition of assessments for said services and improvements are in all respects valid and regular.

SECTION 8. That there shall be and is hereby levied and assessed against the parcels of property within the District, and against the real and true owners thereof (whether such owners be correctly named or not), the sums of money as listed in the Assessment Roll on file with the City Secretary and subject to public inspection, and the several amounts assessed against the same, and the owners thereof.

SECTION 9. That the several sums above mentioned and assessed against the said parcels of property and the owners thereof, and interest thereon at the rate of eight percent (8%) per annum, provided, however, that such interest rate shall not exceed the maximum amount allowed by law, together with reasonable fees and the costs of collection, if incurred, are hereby declared to be and are made a first and prior lien against the property assessed, superior to all other liens and claims except liens and claims for state, county, school district and municipality ad valorem taxes and are a personal liability of and charge against the owners of the property regardless of whether the owners are named. The lien is effective from the date of this ordinance until the assessment is paid and may be enforced by the governing body in the same manner that an ad valorem tax lien against real property may be enforced by the governing body.

SECTION 10. That the assessments levied herein shall be due and payable in full on or before January 31, 2016. That if default be made in the payment of any of the said sums hereby assessed against said property owners and their property, collection thereof, including, costs and fees, shall be enforced by the governing body in the same manner that an ad valorem tax lien against real property may be enforced by the governing body. The owner of the assessed property may pay at any time the entire assessment, with interest that has accrued on the assessment, on any lot or parcel.

SECTION 11. That all assessments levied are a personal liability and charge against the real and true owners of the premises described, notwithstanding such owners may not be named, or may be incorrectly named.

SECTION 12. That as part of the assessment levied herein, and as a part of the service plan, the District shall reimburse to City, administrative costs for the day to day operations conducted by city staff for the District, which amount shall be paid by the District to City upon receipt of an invoice; and that the Chief Financial Officer is hereby authorized to establish Fund 0694, Department ECO, to support recovery of the costs incurred by the Office of Economic Development for such day to day operational costs incurred.

SECTION 14. That the assessments herein levied are made and levied under and by virtue of the terms, powers and provisions of the Public Improvement District Assessment Act, Chapter 372 of the Texas Local Government Code, as amended.

Downtown Dallas, Inc. Improvement District 2016 Assessment Plan

The costs of the services and improvements by the District will be paid primarily by special assessment against properties in the District. Annual assessments are based on the total value of real property and real property improvements as determined by the Dallas Central Appraisal District ("DCAD").

The District service area is shown on a map attached hereto. The assessment to be levied for properties in the District service area is \$.1290 per \$100 of appraised value. Dependent upon future District property values and the changing needs of the District, the assessment rate stated above is not anticipated to change in the next five years. Actual assessment rates and levies will be set by the Dallas City Council subject to a maximum of \$0.15 per \$100 of value and according to procedures stipulated by Chapter 372 of the Texas Local Government Code.

As provided by Chapter 372 of The Code, the City of Dallas is responsible for payments of assessments against exempt municipal property in the District. Properties not liable for assessment include City rights-of-way and properties not owned by the City of Dallas but have obtained an exemption from the City of Dallas real property taxes pursuant to the Texas Property Code (except under the provisions of Sections 11.24 and 11.28 of the Property Tax Code).
