

WHEREAS, the City of Dallas has underground fuel storage tanks at the Southeast Service Center for the purpose of refueling City department vehicles; and,

WHEREAS, the existing underground storage tanks located at the Southeast Service Center have reached the end of their useful service life, are now out of date, and need to be replaced as part of a program to remove and replace outdated tanks at several City of Dallas facilities; and,

WHEREAS, it is now desirable to authorize a professional services contract with Huitt-Zollars, Inc. to provide design services, construction management services, and environmental services for the removal and replacement of the underground fuel storage tanks and the removal of a secondary containment vault, in an amount not to exceed \$191,255.00.

Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

Section 1. That the City Manager is hereby authorized to enter into a professional services contract with Huitt-Zollars, Inc. to provide design services, construction management services and environmental services for the removal and replacement of seven 20,000-gallon underground fuel storage tanks and the removal of a 3,000-gallon secondary containment vault at the Southeast Service Center, in an amount not to exceed \$191,255.00, after it has been approved as to form by the City Attorney.

Section 2. That the Chief Financial Officer is hereby authorized to disburse funds in accordance with the terms and conditions of the contract from:

Current Funds
Fund 0001, Dept. PBW, Unit 3186, Act. MMCF
Obj. 4110, Program #PBCUR029, CT PBW3186G01
Vendor #090025, in an amount not to exceed \$191,255.00

Section 3. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.
