**SECTION 3.** That the assessment shall apportion the costs each year among the property owners on the basis of special benefits accruing to the property. The proposed method of assessment, which may specify included or excluded classes of assessable property, shall be assessed according to the value of the real property and real property improvements as determined by the Dallas Central Appraisal District. The assessment amount for 2016 is proposed to be \$674,020.

**SECTION 3.** (Continued)
