That this license is granted subject to the following additional conditions, terms and reservations:

- (a) That at such time as this license is terminated or canceled for any reason whatsoever, **GRANTEE**, upon orders issued by the City acting through the Director of Sustainable Development and Construction, or designee, shall remove all installations, improvements and appurtenances owned by it situated in, under or attached to the licensed area, and shall restore the premises to its former condition in accordance with the requirements of the Director of Sustainable Development and Construction at the sole cost of **GRANTEE**. In the event, upon termination of this license, **GRANTEE** shall fail to remove its installations, improvements and appurtenances and to restore the licensed area in compliance with orders issued by City, or such work is not done to the satisfaction of the Director of Sustainable Development and Construction, then in either event the City shall have the right to do all work necessary to restore said area to its former condition or cause such work to be done, and to assess the cost of all such work against **GRANTEE**; in neither event shall the City of Dallas be liable to **GRANTEE** on account thereof.
- (b) It is further understood that if and when the City of Dallas, in the exercise of its discretion, shall determine that the grade of any street, sidewalk or parkway should be modified or changed, or that any other work should be done in connection with any public improvement which will affect the licensed area, and/or any of **GRANTEE's** installations and improvements thereon, any modifications or changes to **GRANTEE's** facilities in the licensed area or in construction or reconstruction of any public improvement attributable to **GRANTEE's** use of the licensed area and/or its installations and improvements thereon, shall be made at the sole expense of **GRANTEE** and to the satisfaction of the Director of Sustainable Development and Construction.
- (c) At such time as this license is granted, it is agreed, and a condition hereof, that **GRANTEE** shall procure and keep in full force and effect **Commercial General Liability Insurance** coverage issued by an insurance company authorized and approved by the State of Texas, acceptable to the City of Dallas and issued in the standard form approved by the Texas Department of Insurance. The insured provisions of this policy must name the City of Dallas as an additional insured protecting the City of Dallas against any and all claims for damages to persons or property as a result of or arising out of the use, operation and maintenance by **GRANTEE** of the licensed area and **GRANTEE's** installations, improvements, landscaping and equipment in connection therewith and located therein. This insurance shall also include coverage for underground, explosion and collapse hazards (i.e. not excluded). If this insurance is written on a claims-made form, coverage shall be continuous (by renewal or extended reporting period) for not less than

twelve (12) months following termination of this license and removal of the installations, improvements and appurtenances and restoration of the licensed area pursuant to paragraph (a) above. Coverage, including any renewals, shall contain the same retroactive date as the original policy applicable to this license. The City of Dallas reserves the right to review the insurance requirements set forth herein during the effective term of the license and to adjust insurance coverages and their limits when deemed necessary and prudent by the City of Dallas' Risk Management based upon changes in statutory law, court decisions, or the claims history of the industry as well as the City of Dallas.

1. **GRANTEE** agrees that with respect to the above required insurance, all insurance contracts and certificates of insurance will contain and state, in writing, that coverage shall not be canceled, nonrenewed or materially changed except after thirty (30) days written notice by certified mail to Department of Sustainable Development and Construction.
 2. **GRANTEE** shall carry said insurance at its expense and shall furnish the City of Dallas proof of such insurance. In the event said insurance should terminate during the licensing term hereof, or **GRANTEE** fails to furnish proof of insurance coverage in accordance with the specifications as required by this section, the Director of Sustainable Development and Construction, or designee, may terminate the license granted herein.
- (d) **GRANTEE** is prohibited from using the licensed area in any manner which violates Federal, State or local laws, regulations, rules and orders, regardless of when they become or became effective, including without limitation, those related to health, safety, noise, environmental protection, waste disposal and water and air quality, and shall provide satisfactory evidence of compliance upon the request of the City of Dallas. Should any discharge, leakage, spillage, emission or pollution of any type occur upon or from the licensed area due to **GRANTEE's** use and occupancy thereof, **GRANTEE**, at its expense, shall be obligated to clean up the licensed area to the satisfaction of the City of Dallas and any governmental body having jurisdiction thereover. The City of Dallas may, at its option, clean the licensed area. If the City of Dallas elects to do so, **GRANTEE** shall promptly pay to the City of Dallas the reasonable cost of such cleanup upon receipt of bills therefore. **GRANTEE** agrees that the indemnity provisions contained in paragraph (g) herein shall be fully applicable to the requirements of this paragraph, in event of **GRANTEE's** breach of this paragraph, or as a result of any such discharge, leakage, spillage, emission or pollution arising out of the **GRANTEE's** use of the licensed area.
- (e) This license is subject to all State laws, the provisions of the Charter of the City of Dallas as it now exists, or may hereafter be adopted or amended, and the ordinances of the City of Dallas now in effect or those which may hereafter be passed or adopted. The City of Dallas shall have the right to increase or decrease the compensation to be charged for the use contemplated by this grant in

- (f) The Governing Body of the City of Dallas reserves the right, at any time without notice, to terminate and cancel this license, by resolution, upon a finding by the Governing Body that this license is inconsistent with the public use of the property or whenever the purpose or use of the license is likely to become a nuisance and all rights granted hereunder shall thereupon be considered fully terminated and canceled and the City of Dallas shall not be held liable by reason thereof. The decision of the Governing Body of the City in this matter shall be final and binding upon all parties insofar as the City's determination as to whether the **GRANTEE's** use of this license constitutes a nuisance or is inconsistent with the public use of the property.
- (g) As a condition hereof, **GRANTEE** agrees and is bound to defend, indemnify and hold the City of Dallas, its officers, agents and employees, harmless against any and all claims, lawsuits, judgments, costs and expenses for bodily injury (including death), property damage or other harm for which recovery of damages is sought, suffered by any person or persons, that may arise out of or be occasioned by the use, occupancy and maintenance of the licensed area or **GRANTEE's** installations and improvements within the licensed area, from any act or omission of any representative, agent, customer and/or employee of **GRANTEE**, or by **GRANTEE's** breach of any of the terms or provisions of this license, or by any negligent or strictly liable act or omission of **GRANTEE**, its officers, agents, employees or contractors in the use, occupancy and maintenance of **GRANTEE's** installations and improvements within the licensed area; except that the indemnity provided for in this paragraph shall not apply to any liability resulting from the sole negligence or fault of the City of Dallas, its officers, agents, employees or separate contractors, and in the event of joint and concurring negligence or fault of both the **GRANTEE** and the City of Dallas, responsibility and liability, if any, shall be apportioned comparatively in accordance with the laws of the State of Texas, without, however, waiving any governmental immunity available to the City of Dallas under Texas law and without waiving any defenses of the parties under Texas law. This obligation to indemnify and defend shall also include any claim for damage that any utility or communication company, whether publicly or privately owned, may sustain or receive by reason of **GRANTEE's** use of the licensed area or **GRANTEE's** improvements and equipment located thereon. In addition to the foregoing, **GRANTEE** covenants and agrees never to make a claim of any kind or character whatsoever against the City of Dallas for damage of any kind that it may suffer by reason of the installation, construction, reconstruction, operation or maintenance of any public improvement, utility or communication facility on the licensed area, whether presently in place or which may in the future be constructed or installed, including but not limited to, any water or wastewater mains or storm sewer facilities, regardless of whether such damage is due to
