2018 ASSESSMENT PLAN**

The cost of the services and improvements provided by the Oak Lawn-Hi Line Public Improvement District will be paid primarily by assessments against real properties within the Oak Lawn-Hi Line Public Improvement District boundaries. Annual assessments will be based on the value of real property and improvements as certified by the Dallas Central Appraisal District.

The cost of improvements and services in the district will be assessed by application of a single rate applied to all non-exempt property on the combined value of the real property and real property improvements as determined by the Dallas Central Appraisal District. The 2018 assessment rate is proposed at \$0.15 per \$100.00 of appraised value. The annual assessments rate, during the seven-year life of the District, will not exceed \$0.15 per \$100.00 of appraised value as determined by the Dallas Central Appraisal District.

The District shall pay the costs of the services and improvements by special assessment against the real property and real property improvements. The City of Dallas is not responsible for payment of assessments against exempt City property in the District, which is specially benefited. City rights-of-way and city parks are not subject to assessment. Properties otherwise exempt from ad valorem taxes are not subject to assessment. Payment of assessment by other exempt jurisdictions must be established by contract.
