Exhibit C
University Crossing Public Improvement District
Assessment Plan 2018

The costs of the services and improvements by the District will be paid primarily by special assessment against properties in the District. Annual assessments are based on the total value of real property and real property improvements as determined by the Dallas Central Appraisal District ("DCAD").

The University Crossing Public Improvement District (PID) proposed assessment rate for 2018 is \$0.10 per \$100 of appraised value. Actual assessment rates and levies will be set by the Dallas City Council subject to a maximum of \$0.15 per \$100 of value and according to procedures stipulated by Chapter 372 of the Texas Local Government Code. City right-of-way, railroad right-of-way, parks and cemeteries are not specially benefitted and therefore are not subject to assessment. With the exception of Southern Methodist University (SMU), payment of assessments by other exempt jurisdictions and entities must also be established by contract. SMU has agreed to participate in the University Crossing PID by contract with the University Crossing Improvement District Corporation through special assessment based on all taxable and tax exempt real property owned by SMU or SMU affiliates within the University Crossing PID.
