ARTICLE II AUTHORIZATION OF NOTES

Section 2.01. **General Authorization.** Pursuant to authority conferred by and in accordance with the provisions of the Constitution and laws of the State of Texas, particularly the Acts, Commercial Paper Notes shall be and are hereby authorized to be issued in an aggregate principal amount not to exceed Seven Hundred Fifty Million Dollars (\$750,000,000) at any one time Outstanding for the purpose of financing Eligible Projects and to refinance, renew, or refund Notes, Subordinate Lien Obligations, and Obligations, including interest thereon all in accordance with and subject to the terms, conditions, and limitations contained herein; provided that the maximum aggregate principal amount of Commercial Paper Notes that may be issued under this Fifty-Sixth Supplement shall be reduced by the aggregate principal amount of all then Outstanding Promissory Notes. For purposes of this Section 2.01, any portion of Outstanding Notes to be paid from money on deposit with the Issuing and Paying Agent and from the available proceeds of Subordinate Lien Obligations or Obligations issued on the day of calculation shall not be considered Outstanding. The authority to issue Commercial Paper Notes from time to time under the provisions of this Fifty-Sixth Supplement shall exist until the Maximum Maturity Date, regardless of whether at any time prior to the Maximum Maturity Date there are any Commercial Paper Notes Outstanding.

The Notes, Subordinate Lien Obligations, and Obligations to be so refinanced or refunded shall be selected by an Authorized Officer. Further, any such refinancing or refunding, other than a simultaneous refunding, of Notes, Subordinate Lien Obligations, and Obligations, to the extent then required by applicable law, shall be by means of a gross defeasance established at the time of the issuance of the refunding Commercial Paper Notes.

Section 2.02. Under and pursuant to the authority granted hereby and subject to the limitations contained herein, "Dallas Fort Worth International Airport Subordinate Lien Joint Revenue Commercial Paper Notes, Series I (Taxable)" are hereby authorized to be issued, sold and delivered from time to time in such principal amounts as determined by the Cities and the Board in denominations of \$100,000 or in integral multiples of \$1,000 in excess thereof, numbered in ascending consecutive numerical order in the order of their issuance, and shall mature and become due and payable on such dates as Authorized Officer shall determine at the time of sale; provided, however, that no Commercial Paper Note shall (i) mature after the Maximum Maturity Date or (ii) have a term in excess of 270 calendar days.

Subject to the limitations contained herein, Commercial Paper Notes herein authorized shall be dated as of their date of issuance (the "Note Date") and shall bear no interest or bear interest at such rate or rates per annum or computed pursuant to such formula and on such basis (but in no event to exceed the Maximum Interest Rate in effect on the date of issuance thereof), all as may be determined by an Authorized Officer. Interest, if any, on Commercial Paper Notes shall be payable at maturity. Commercial Paper Notes may be

payable to bearer, may be issued in registered form, without coupons, or may be issued in book-entry only form pursuant to Section 2.05(b) as determined by an Authorized Officer. Both principal of and interest on the Commercial Paper Notes shall be payable in lawful money of the United States of America, without exchange or collection charges to the Holder thereof in the manner provided in the applicable Form of Commercial Paper Note set forth in Exhibit B hereto.

Commercial Paper Notes issued hereunder may contain terms and provisions for the redemption or prepayment thereof prior to maturity, subject to any applicable limitations contained herein, as provided herein or otherwise as shall be determined by an Authorized Officer.

Subject to applicable terms, limitations, and procedures contained herein, the Commercial Paper Notes may be sold in such manner at public or private sale and at par or at such discount or premium (within the interest rate and yield restrictions provided herein) as an Authorized Officer shall approve at the time of the sale thereof.

Section 2.03. Form of Commercial Paper Notes. (a) If not issued in book-entry only form, the Commercial Paper Notes and the Certificate of Authentication to appear on each of the Commercial Paper Notes shall be substantially in the form set forth in Exhibit B hereto with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Fifty-Sixth Supplement and may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) ("CUSIP" numbers) and such legends and endorsements thereon as may, consistently herewith, be approved by an Authorized Officer. Any portion of the text of any Commercial Paper Notes may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Commercial Paper Notes and the Commercial Paper Notes shall be printed, lithographed, or engraved or produced in any other similar manner, or typewritten, all as determined and approved by an Authorized Officer.

(b) If the Commercial Paper Notes are issued in book-entry only form pursuant to Section 2.05(b) hereof, they shall be issued in the form of a Master Note in substantially the form attached as Exhibit C hereto, or such other forms as are required by DTC, to which there shall be attached the respective form of Commercial Paper Note set forth in Exhibit B hereto and it is hereby declared that the provisions of Exhibit B hereto are incorporated into and shall be a part of the applicable Master Note. It is further provided that this Fifty-Sixth Supplement, the Fifty-Fifth Supplement, the Master Bond Ordinance, and the form of Commercial Paper Note set forth in Exhibit B hereto shall constitute the "underlying records" referred to in each Master Note. In addition, whenever the beneficial ownership of the Commercial Paper Notes is determined by a book-entry at DTC, the Issuing and Paying Agent may, without further approval from the Board or an Authorized Officer, place such letters, numbers, marks of identification, legends and endorsements on the Commercial Paper Notes and Master Notes as are necessary to satisfy the requirements of DTC. Notwithstanding the provisions of Section 2.04 hereof, each Master Note shall be executed on behalf of the Cities by the signatures set forth in the Exhibit B.

Section 2.04. Form of Notes. Under authority granted by Section 1371.055, Texas Government Code, as amended, the Notes shall be executed by the manual or facsimile signatures of the Mayors of the Cities and the City Manager of the City of Dallas and countersigned by the City Secretaries of the Cities and approved as to form and legality by the City Attorney of the City of Fort Worth. The signature of said officers on the Notes may be manual or facsimile. Notwithstanding the other provisions of this Section 2.05, the Master Note shall be executed by the manual or facsimile signatures of the Mayors of the Cities and the City Manager of the City of Dallas and countersigned by the City Secretaries of the Cities and approved as to form and legality by the City Attorney of the City of Fort Worth. Notes bearing the manual or facsimile signatures of individuals who are or were the proper officers of the Cities on the date of such execution shall be deemed to

be duly executed on behalf of the Cities, notwithstanding that such individuals or any of them shall cease to hold such offices at the time of the initial sale and delivery of Notes authorized to be issued hereunder and with respect to Notes delivered in subsequent sales, exchanges, and transfers, all as authorized and provided in Chapter 1201, Texas Government Code, as amended.

Other than pursuant to Section 2.03(b), no Note shall be entitled to any right or benefit under this Fifty-Sixth Supplement, or be valid or obligatory for any purpose, unless there appears on such Note a certificate of authentication substantially in the form provided in Exhibit B to this Fifty-Sixth Supplement, executed by the Issuing and Paying Agent by manual signature, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly certified or registered and delivered.

Section 2.05. Issuing and Paying Agent and Book-Entry Only System.

(a) Issuing and Paying Agent. The selection and appointment of The Bank of New York Mellon Trust Company, N.A., to serve as Issuing and Paying Agent for the Notes is hereby confirmed. The Cities and the Board covenant and agree to keep and maintain the Registration Books at the office of the Issuing and Paying Agent, all as provided herein and pursuant to such reasonable rules and regulations as the Issuing and Paying Agent may prescribe. The Cities and the Board covenant to maintain and provide an Issuing and Paying Agent at all times while the Commercial Paper Notes are Outstanding, which, if the Board is not acting in such capacity, shall be a national or state banking association or corporation organized and doing business under the laws of the United States of America or of any State and authorized under such laws to exercise trust powers. Should a change in the Issuing and Paying Agent for the Commercial Paper Notes occur, the Cities and the Board agree to promptly cause a written notice thereof to be (i) sent to each Registered Owner, if any, of the Commercial Paper Notes then Outstanding by United States mail, first class, postage prepaid and (ii) published in a financial newspaper or journal of general circulation in The City of New York, New York, once during each calendar week for at least two calendar weeks; provided, however, that the publication of such notice shall not be required if notice is given to each Registered Owner in accordance with clause (i) above. Such notice shall give the address of the successor Issuing and Paying Agent. A successor Issuing and Paying Agent may be appointed without the consent of the Holders. Should the Issuing and Paying Agent resign or be removed, such resignation or removal shall not be effective until a successor Issuer and Paying Agent has been appointed by the Board and such appointment has been accepted.

Subject to the provisions of subsection (b) hereof, the Cities, the Board and the Issuing and Paying Agent may treat the bearer (in the case of Commercial Paper Notes so registered) or the Registered Owner of any Commercial Paper Note as the absolute owner thereof for the purpose of receiving payment thereof and for all purposes, and, to the extent permitted by law, the Board and the Issuing and Paying Agent shall not be affected by any notice or knowledge to the contrary.

A copy of the Registration Books and any change thereto shall be provided to the Board by the Issuing and Paying Agent, by means of telecommunications equipment or such other means as may be mutually agreeable thereto, within two Business Days of the opening thereof or any change therein, as the case may be.

(b) Book-Entry Only System. If an Authorized Officer determines that it is possible and desirable to provide for a book-entry only system of Commercial Paper Note registration with DTC, such Authorized Officer, acting for and on behalf of the Cities and the Board, is hereby authorized to approve, execute, and deliver a Letter of Representations to DTC and to enter into such other agreements and execute such instruments as are necessary to implement such book-entry only system, such approval to be conclusively evidenced by the execution thereof by said Authorized Officer. Under the initial Book Entry System with DTC, (i) no physical Note certificates will be delivered to DTC and (ii) the Cities and the Board will execute

and deliver to the Issuing and Paying Agent, as custodian for DTC, a master note (a "Master Note") in substantially the form set forth in Exhibit C hereto, or such other forms as are required by DTC. Except as provided herein, the ownership of the Notes shall be registered in the name of Cede & Co., as nominee of DTC, which will serve as the initial securities depository for the Notes. Ownership of beneficial interests in the Notes shall be shown by book entry on the system maintained and operated by DTC and DTC participants, and transfers of ownership of beneficial interests shall be made only by DTC and the DTC participants by book entry, and the Board and the Issuing and Paying Agent shall have no responsibility therefor. DTC will be required to maintain records of the positions of the DTC participants in the Notes, and the DTC participants and persons acting through the DTC participants will be required to maintain records of the purchasers of beneficial interests in the Notes. Except as provided in this subsection (b), the Notes shall not be transferable or exchangeable, except for transfer to another securities depository or to another nominee of a securities depository.

With respect to Commercial Paper Notes registered in the name of DTC or its nominee, neither the Cities, the Board nor the Issuing and Paying Agent shall have any responsibility or obligation to any DTC Participant or to any person on whose behalf a DTC Participant holds an interest in the Commercial Paper Notes. Without limiting the immediately preceding sentence, neither the Cities, the Board nor the Issuing and Paying Agent shall have any responsibility or obligation with respect to (i) the accuracy of the records of DTC or any DTC Participant with respect to any ownership interest in the Commercial Paper Notes, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of the Commercial Paper Notes, as shown on the Registration Books, of any notice with respect to the Commercial Paper Notes, including any notice of redemption, and (iii) the payment to any DTC Participant or any other person, other than a registered owner of the Commercial Paper Notes, as shown in the Registration Books, of any amount with respect to principal of and premium, if any, or interest on the Commercial Paper Notes.

Whenever, during the term of the Commercial Paper Notes, the beneficial ownership thereof is determined by a book entry at DTC, the requirements in this Fifty-Sixth Supplement of holding, registering, delivering, exchanging, or transferring the Commercial Paper Notes shall be deemed modified to require the appropriate person or entity to meet the requirements of DTC as to holding, registering, delivering, exchanging, or transferring the book entry to produce the same effect.

Either the Board or DTC may determine to discontinue the book-entry only system, and in such case, unless a new book-entry only system is put in place, physical certificates in the form set forth in Exhibit B hereto shall be provided at the instruction of the Board to the beneficial holders.

If at any time, DTC ceases to hold the Commercial Paper Notes, all references herein to DTC shall be of no further force or effect.

Whenever the beneficial ownership of the Commercial Paper Notes is determined by a book entry at DTC, delivery of Commercial Paper Notes for payment at maturity shall be made pursuant to DTC's payment procedures as are in effect from time to time and the DTC Participants shall transmit payment to beneficial owners whose Commercial Paper Notes have matured. The Board and each Issuing and Paying Agent, Bank, and Dealer are not responsible for transfer of payment to the DTC Participants or beneficial owners.

Section 2.06. **Negotiability, Registration, and Exchangeability.** The Commercial Paper Notes shall be, and shall have all of the qualities and incidents of a negotiable instrument under the laws of the State of Texas, and each successive Holder, in accepting any of the obligations, shall be conclusively deemed to have agreed that such obligations shall be and have all of the qualities and incidents of a negotiable instrument under the laws of the State of Texas.

Registration Books relating to the registration, payment, and transfer or exchange of the Commercial Paper Notes shall at all times be kept and maintained by the Board at the office of the Issuing and Paying Agent, and the Issuing and Paying Agent shall obtain, record, and maintain in the Registration Books the name, and to the extent provided by or on behalf of the Holder, the address of each Holder of the Commercial Paper Notes, except for Commercial Paper Notes registered to bearer. A copy of the Registration Books shall be provided to and held by the Board in the manner provided in Section 2.05 hereof. Any Commercial Paper Note may, in accordance with its terms and the terms hereof, be transferred or exchanged for Commercial Paper Notes of like tenor and character and of other authorized denominations upon the Registration Books by the Holder in person or by his duly authorized agent, upon surrender of such Commercial Paper Note to the Issuing and Paying Agent for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Issuing and Paying Agent.

Upon surrender for transfer of any Commercial Paper Note at the designated office of the Issuing and Paying Agent, the Issuing and Paying Agent shall register and deliver, in the name of the designated transferee or transferees, one or more new Commercial Paper Notes executed on behalf of, and furnished by, the Cities of like tenor and character and of authorized denominations and having the same maturity, bearing interest at the same rate and of a like aggregate principal amount as the Commercial Paper Note or Commercial Paper Notes surrendered for transfer.

Furthermore, Commercial Paper Notes may be exchanged for other Commercial Paper Notes of like tenor and character and of authorized denominations and having the same maturity, bearing the same rate of interest and of like aggregate principal amount as the Commercial Paper Notes surrendered for exchange, upon surrender of the Commercial Paper Notes to be exchanged at the designated office of the Issuing and Paying Agent. Whenever any Commercial Paper Notes are so surrendered for exchange, the Issuing and Paying Agent shall register and deliver new Commercial Paper Notes of like tenor and character as the Commercial Paper Notes exchanged, executed on behalf of and furnished by, the Cities to the Holder requesting the exchange.

The Cities, the Board and the Issuing and Paying Agent may charge the Holder a sum sufficient to reimburse them for any expenses incurred in making any exchange or transfer after the first such exchange or transfer. The Issuing and Paying Agent, the Cities or the Board may also require payment from the Holder of a sum sufficient to cover any tax, fee, or other governmental charge that may be imposed in relation thereto. Such charges and expenses shall be paid before any such new Commercial Paper Note shall be delivered.

The Cities, the Board and the Issuing and Paying Agent shall not be required to transfer or exchange any Commercial Paper Note selected, called, or being called for redemption in whole or in part.

New Commercial Paper Notes delivered upon any transfer or exchange shall be valid special obligations of the Cities, evidencing the same debt as the Commercial Paper Notes surrendered, shall be secured by this Fifty-Sixth Supplement, Fifty-Fifth Supplement and Master Bond Ordinance and shall be entitled to all of the security and benefits hereof to the same extent as the Commercial Paper Notes surrendered.

The Cities and the Board reserve the right to change the above registration and transferability provisions of the Commercial Paper Notes at any time on or prior to the delivery thereof in order to comply with applicable laws and regulations of the United States in effect at the time of issuance thereof. In addition, to the extent that the provisions of this Section conflict with or are inconsistent with the provisions of the Form of Commercial Paper Note set forth in Exhibit B hereto, such other provisions shall control.

Section 2.07. **Commercial Paper Notes Mutilated, Lost, Destroyed, or Stolen.** If any Commercial Paper Note shall become mutilated, the Board, at the expense of the Holder of said Commercial Paper Note, shall execute and the Issuing and Paying Agent shall authenticate and deliver a new Note of like tenor and number in exchange and substitution for the Commercial Paper Note so mutilated, but only upon surrender to the Issuing and Paying Agent of the Commercial Paper Note so mutilated. If any Commercial Paper Note shall be lost, destroyed, or stolen, evidence of such loss, destruction, or theft may be submitted to the Board and the Issuing and Paying Agent. If such evidence be satisfactory to the Board and the Issuing and Paying Agent and indemnity satisfactory to them shall be given, the Board, at the expense of the Holder, shall execute and the Issuing and Paying Agent shall authenticate and deliver a new Commercial Paper Note of like tenor in lieu of and in substitution for the Commercial Paper Note so lost, destroyed, or stolen. In the event any such Commercial Paper Note shall have matured, the Issuing and Paying Agent instead of issuing a duplicate Commercial Paper Note may pay the same without surrender thereof after making such requirement as it deems fit for its protection, including a lost instrument bond. Neither the Board nor the Issuing and Paying Agent shall be required to treat both the original Commercial Paper Note and any duplicate Commercial Paper Note as being Outstanding for the purpose of determining the principal amount of Commercial Paper Notes which may be issued hereunder, but both the original and the duplicate Commercial Paper Note shall be treated as one and the same. The Board and the Issuing and Paying Agent may charge the Holder of such Commercial Paper Note with their reasonable fees and expenses for such service.

Section 2.08. **CP Credit Agreement.** The Cities and the Board reserve the right to enter into a CP Credit Agreement to provide liquidity for a part or all of the Commercial Paper Notes to be Outstanding under this Fifty-Sixth Supplement. Whenever the term "CP Credit Agreement" is used in the Fifty-Sixth Supplement, it shall refer to the agreement referred to in this Section and the term "Advances" shall mean advances under such a CP Credit Agreement.

Section 2.09. **Promissory Notes.** The Cities and the Board reserve the right to authorize one or more Promissory Notes to evidence Advances under a CP Credit Agreement and such Promissory Notes shall be on a parity and of equal dignity with the Commercial Paper Notes.

Section 2.10. **Note Payment Fund.** There is hereby created a fund at the Issuing and Paying Agent entitled the "Subordinate Lien Joint Revenue Note Payment Fund" (the "Note Payment Fund"). The proceeds from the sale of Subordinate Lien Obligations or Obligations issued for the purpose of refunding and retiring Notes Outstanding under this Fifty-Sixth Supplement shall be paid to the Issuing and Paying Agent for deposit to the credit of the Note Payment Fund and used for such purpose. In addition, all amounts required to be paid to the Issuing and Paying Agent for deposit by the Cities and the Board pursuant to Section 2.11 shall be paid to the Issuing and Paying Agent for deposit to the appropriate account within the Note Payment Fund and shall be used to pay principal of, premium, if any, and interest on Notes at the respective interest payment, maturity or redemption of such Notes as provided herein, including the repayment of any amounts owed with respect to the Promissory Note in evidence of Advances under a CP Credit Agreement.

Additionally, all Advances under a CP Credit Agreement shall be paid to the Issuing and Paying Agent for the account of the Board and deposited into the appropriate account within the Note Payment Fund and used to pay the principal of, premium, if any, and interest on the Commercial Paper Notes.

Pending the expenditure of moneys in the Note Payment Fund for authorized purposes, moneys deposited therein may be invested at the direction of an Authorized Officer in the manner prescribed by law and in accordance with the written policies adopted by the Board. Any income received from investments in the Note Payment Fund shall be retained in the Note Payment Fund.

Section 2.11. **Issuance of Subordinate Lien Obligations; Security and Pledge.**

(a) The Notes are special obligations of the Cities payable from and secured solely by the Pledged Funds and Pledged Revenues deposited under Section 5.2(b)(v) of the Master Bond Ordinance. The Pledged Funds and Pledged Revenues are hereby pledged, subject to the subordinate liens securing Subordinate Lien Obligations, to the payment of the principal of, premium, if any, and interest on the Notes as the same shall become due and payable. The Cities agree to pay from lawfully available Airport funds the principal of, premium, if any, and the interest on the Notes when due, whether by reason of maturity or redemption.

(b) An Authorized Officer shall implement the procedures necessary to make an Advance under a CP Credit Agreement, if in effect, if there is not anticipated to be Pledged Funds and Pledged Revenues or other lawfully available funds in an amount sufficient and in ample time to pay the principal of and interest and any premium, if any, on the Commercial Paper Notes as such principal, interest and premium, respectively, come due, whether by reason of maturity or redemption. Amounts in the Note Payment Fund attributable to and derived either from Advances under and pursuant to a CP Credit Agreement or from amounts provided pursuant to Section 4.02(b) shall be used only to pay the principal of, premium, if any, and interest on the Commercial Paper Notes.

Such instructions shall also certify that, as of the date of such certificate:

(i) if the Commercial Paper Notes are being issued to pay Costs of the Airport, (A) the Cities and the Board have been advised by Bond Counsel that the Commercial Paper Notes are being issued to pay Costs of the Airport for Eligible Projects, and (B) attached to such instructions is a written certificate signed by an Authorized Officer listing the Eligible Projects expected to be financed, in whole or in part, by the Commercial Paper Notes; provided, however, that at some future date, the Board may substitute other Eligible Projects (the "Substituted Projects") to be financed, in whole or in part, by the Commercial Paper Notes for the Eligible Projects listed on such certificate;

The representations and certifications made in such instructions shall be made for the benefit of and may be relied upon by the Issuing and Paying Agent, the Dealers, and the Holders of the Commercial Paper Notes. Notwithstanding any other provision of this Section 3.01(b) to the contrary, the instructions required to be given by an Authorized Officer to the Issuing and Paying Agent in connection with the issuance of Commercial Paper Notes for the payment of Costs of the Airport may include a provision to the effect that each sale of Commercial Paper Notes thereafter made by the Cities for the purpose of refinancing, renewing or refunding the Commercial Paper Notes that are the subject of such instructions shall be deemed a representation and certification by the Cities and the Board as of the date of each such sale that any one or more of the representations and certifications contained in such instructions are true and correct as if made on each such date.

Based upon such review, the number of Dealers selected, which Dealers are selected and the amount of Commercial Paper Notes for which each Dealer is responsible may be changed and additional or different Dealers may be selected and new Dealer Agreements entered into based upon a determination that such changes are expected to result in the lowest overall cost of the Commercial Paper Note program authorized hereby after taking into account not only the fees to be paid to the Dealers but the expectations as to the performance of each Dealer in providing broad distribution of the Commercial Paper Notes and creating competitive pricing without adversely affecting investor liquidity.

An Authorized Officer is hereby authorized and directed to approve, execute, and deliver to the Dealers any instrument evidencing such changes, additions, or amendments to the Dealer Agreements as may be necessary and proper to carry out the purpose and intent of the Cities and the Board in authorizing this Fifty-Sixth Supplement.
